

Contract Training Specialist

• Author • Accomplished Columnist • Television Producer • Consultant • Media Expert

Terri is considered a pioneer in the development of online distance learning programs. As the executive producer of the first online training networks, Terri is CIO of U.S. Learning, a global video based training organization based in Memphis, TN.

This international group of experts includes Don Hutson, two-time New York Times best-selling author of *"The One Minute Entrepreneur"* and *"The One Minute Negotiator"* co-authored with Dr. George Lucas, Ph.D, The members of this group cover all aspects of sales, communication, marketing, leadership, customer satisfaction and negotiation training.

The group excels in highly customized online video training programs specifically designed to exceed corporate training needs. A team of this caliber offers a comprehensive training initiative that is unprecedented in the training industry. The U.S. Learning Team has developed and deployed online and in-person training and programming for companies like Mid-America Apartments, Armstrong, Mohawk, Teleperformance and other Fortune 500 companies.
